1. I give you me, and I give you *all* things me. I give all things, the heir of the son, not; but the son of the heir, not; but what do I give then all things to? Those who will become me, without reserve. I do, hesitatingly not, unreservedly not; I do all "without reserve" now -- for I am become who I am, without reserving anything of notme-ville in me again.

2. See what I have said this day, this November 5, 2008 as your presidency reigns in sorrow, not, but your Chancellor-ship (1) reigns in joy with **Joy Bell ringing now** -- throughout the lands, the lands of me, coming forth and *understanding now! Me and I am, like no one understands, not; for you explain ALL there is, not now -- but you experience it now. You experience it, now.*

3. And now 13-hood reigns no more in "your hood"; for your "hooded one" won't receive hoodship anymore, but they'll receive you. Into their arms, not, for "cutting ceremonies", but for ceremonious uncleanness, not; but for becoming clean, hearing the words of your mouth, mine and mine are coming unto me to see that I am unreserved about giving them all I am, all that I am, I have become; and all that I have become I am, and giving them freely so freely of my words truth, wisdom, that I have become.

4. And loving you all to be and do and see the loveliness I am of my words that birth something new news that's newsworthy now shall be *cast* now! And cast *about me*, shall be my crowns now. For all so, see mine and come unto me and want, want to know where I found mine, where I "found them". In an ash can, trash can, not; but in a flesh-bag-suit all was there, all the time; but time timed me with a fuse, not; but MY fuse ends and all shall be not in this world anymore like "it was" again -- for all shall be *new* -- me now in the earth, and talking a new, singing a new song; not as it were of the past, but I am not of the "past" "circles of me", but that "friendship" is ended, and I **MAKE NEW ONES** now that *transcends the earths*, now, loving me all do, you are me real and proper.

5. Thank you for not answering your phone (2) when I am "talking".

6. I love you all and I "treat you" so ROYAL, so *royally* -- every day I do this, bringing you

my words and giving you my love, my words, my love-words that transcend, that transcend the national "boundaries" of me. And me reigns in love. Me's reign in love.

7. And I do new things, many places, with many new peoples, that I create whole, and well, and being a me in the earth I am, and unafraid of you who think that you are not me -- for we are one in the earth and farther, and we make all things new, who will surrender to be me new in the earth, unafraid of all else.

8. I love you all and I give you me. Good day.

It's now 2:07 PM as I drive in the van.

Footnotes:

1. Multiple times in these messages God has stated that I am chancellor of the University of The New Covenant.
2. My cell phone rang while in the middle of speaking this message.
